

## Community Swimathon 9<sup>th</sup> & 10<sup>th</sup> March 2019

Thank you for expressing an interest in the second community Swimathon at the Carnforth Community Swimming Pool and organised by Carnforth Rotary.

You can take part as an individual or as a team of four. Everyone will get 55 minutes in the pool to swim as far as they can – and aiming to collectively swim 40 miles in order to celebrate a year of the Pool under Community management.

We shall provide you with a sponsor form on receipt of this entry form, and all of the money that you or your team raise, will be split equally between Carnforth Community Swimming Pool and your chosen charity – with a presentation evening in April.

This event is for everyone, all abilities and ages, so please do get involved.

Further information about the event can be seen on our Facebook page @carnforthpool, or on our website [www.carnforthpool.org](http://www.carnforthpool.org).

I/ we would like to enter into the 2019 Community Swimathon

Names .....

For groups of four, a catchy name of the Team & lead contact .....

Email address .....

Telephone .....
